1	 <p>The screenshot shows a welcome page for a module. At the top, there is a banner image with the text "Managing Breast Signs and Symptoms". Below the banner, the heading "Welcome to this module" is followed by introductory text: "In this module you'll work with four women with a range of breast signs and symptoms. You'll get to read and apply practical advice and algorithms for the management of breast lumps, breast skin and nipple changes, nipple discharge and breast pain." Further instructions include: "Before you start, please turn on your volume. If you are working in a shared workspace, you may want to use a head set." and "When you're ready, please start the module by selecting the link below." A red box highlights a link that says "Managing Breast Signs and Symptoms". Below the link, it says "Once you've successfully completed the module (which includes passing an assessment) you'll be able to print a certificate at this link:". There are also icons for help and a close button.</p>

Work your way through the module. (You must enable popups on your browser to view the module.)

10.	 <p>The screenshot shows a video player interface. At the top left, it says "Welcome". At the top right is the logo for "THE NEW ZEALAND BREAST CANCER FOUNDATION". The main area is a video frame with the same banner image as in step 1, with the text "Managing Breast Signs and Symptoms". At the bottom left, there is a "Menu" button. At the bottom right, there is a "SELECT > TO CONTINUE." label and two circular navigation buttons (back and play).</p>
11.	<p>You must enable popups on your browser. If you need any help, you can view the link on "Support" block on the homepage.</p>
