

**Do you or
someone you
know have
breast cancer?**

**mybc is an online community for all
New Zealanders affected by breast cancer.**
Join today at bcf.org.nz/mybc

mybc is a place to connect and share experiences with others, ask questions and get support from Breast Cancer Foundation NZ's specialist breast nurses.

mybc lets you:

Connect and share your experience with others who know what you're going through.

Chat privately with our specialist breast nurses.
